

THE FACTORY BEHIND THE BRAND.

CONTRACT PACKAGING AND MANUFACTURING

SIDCUL HARIDWAR · NEAR BENGALURU

COMPANY PROFILE · 2026

FIRST SOURCE.

The first source of a product is the place it is made,
before it reaches a shelf or a showroom.

The triangle in our mark points back, upstream, to that
place.

Nevaeh First Source Solutions Private Limited. Contract packaging and
manufacturing in SIDCUL Haridwar and near Bengaluru. Incorporated
2017.

LOOK FOR US ON THE BACK OF THE PACK.

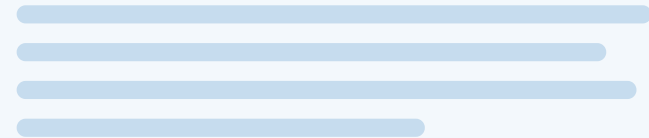

We do not sell products under a brand of our own, so the brand owner is the only brand on the pack.

Food packed or made for you carries the licence number of the unit that made it, as the FSS labelling rules require. That line is where you will find us.

YOUR BRAND

Manufactured by

Nevaeh First Source Solutions Private Limited,
Plot No. 100, Sector 5, Integrated Industrial Estate,
SIDCUL, Haridwar, Uttarakhand 249403

FSSAI Lic. No. 12621999000017

**YOU BRING THE
PRODUCT, THE
SPECIFICATION
AND THE
PACKAGING. WE
RUN THE FLOOR
THAT MAKES IT.**

The people, the machines, the hygiene and the paperwork, all to that specification. Everyone who works with us is covered by EPF and ESIC.

CONTRACT PACKAGING

You send the product, or we make it for you. You send the packaging material and the specification for how it is packed, or tell us what needs sourcing. We pack it on our floor and it leaves for your distribution. A product made elsewhere can be packed too.

CONTRACT MANUFACTURING

We make the product itself, to your specification and under your brand, at our units in Uttarakhand and Karnataka. Food is made only at units with their own FSSAI licence. We can pack what we make for you as well.

MADE AND PACKED TODAY

Food, under FSSAI licence, and furniture.

UNDER YOUR NAME ONLY

We never compete with the brands we work for.

WHERE YOUR PRODUCT IS PACKED DECIDES HOW FAR IT TRAVELS.

WHAT BRAND OWNERS ASK US.

DO YOU DO PRIVATE LABEL?

Yes. That is the whole of our work. You own the brand and the specification; we make or pack the product to it, and it leaves our units carrying your brand.

CAN YOU PACK A PRODUCT MADE ELSEWHERE?

Yes. Send the product and the packaging material, or tell us what needs sourcing, and we pack it to your specification at the unit that suits the route to your market.

WHAT IS YOUR MINIMUM ORDER?

It depends on the product and its packaging. Tell us the volumes you expect and we will say plainly whether the work fits.

CAN YOU ADD CAPACITY AS WE GROW?

Yes. We open units close to the demand they serve, and add them as the brands we work for grow.

CAN WE VISIT OR AUDIT A UNIT?

Yes. Brand owners can see where their product is made. Visits are by appointment: call +91 96344 44708. Copies of certificates are available on request.

BRANDS WE WORK FOR.

ITC LIMITED

We pack and manufacture for ITC.

FURBLOWCRAFT

We manufacture furniture for FurbloowCraft.

EACH OF THEM KEEPS ITS OWN BRAND, ITS SPECIFICATION AND ITS CUSTOMER. WE MAKE AND PACK; THE NAME ON THE PRODUCT IS ALWAYS THEIRS.

EVERY NEW LINE, THE SAME STANDARD.

Tell us the product, the volumes and the specification. We will come back with how we would make it, and where.

Fill this in, photograph it and send it. We treat your brief as confidential.
